Forecast Location: Block Island, RI

Forecast Date/Time: 1600 EDT Sun June 18 2023

Forecast by: Chelsea Freas

Outlook
Mon June 19 High pressure settles in to the north, bringing a morning ENE wind that veers to afternoon E-ESE wind. May have some patchy morning fog, which should burn off when winds veer/increase.

Time (EST)	1000	1200	1400	1600
Wind Direction (mag)	060-080	060-090	080-110	080-110
Wind Speed (knots)	7-12	10-14	11-15	10-14
Gust (knots)				

Weather Patchy morning clouds/fog, becoming sunny
Sky
Temps High 68
Seas SE 2-4 ft

Outlook
Tues June 20 High pressure will be to the east, and gradient wind will fill from E, to ESE by afternoon. Showing some clouds and showers around which may mess with wind speeds, but overall pressure trend looks to be increasing.

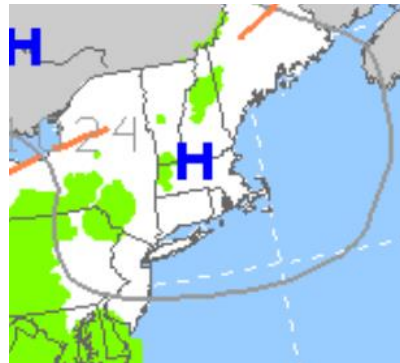

Time (EST)	1000	1200	1400	1600
Wind Direction (mag)	090-110	080-110	090-110	090-110
Wind Speed (knots)	9-14	10-15	10-15	10-15
Gust (knots)				

Weather Partly/mostly cloudy w/ chances for showers
Sky
Temps high 67
Seas SE 2-3 ft

Outlook
Wed June 21 High pressure will be centered near Gulf of Maine or just over NH/Maine. Bringing E-SE winds. Still some uncertainty on placement of high pressure and how strong winds will be, esp early in the day.

Time (EST)	1000	1200	1400	1600
Wind Direction (mag)	080-100	090-110	110-140	130-150
Wind Speed (knots)	7-12	8-13	10-14	10-15
Gust (knots)		16	16	16

Weather Sunny
Sky
Temps High 69
Seas SE 2-4 ft

Outlook
Thurs June 22 Forecast for end of the week continues to change - it's now looking much lighter for Thurs as the ridge of high pressure sits across Block. Confidence in the forecast is still low for end of the week.

Time (EST)	1000	1200	1400	1600
Wind Direction (mag)	170-190	190-210	190-210	200-220
Wind Speed (knots)	4-8	6-10	7-11	8-13
Gust (knots)				

Weather **Sky** Sunny
 Temps High 71
 Seas S-SW 3-5 ft

Outlook SW gradient wind will build as high pressure
Fri June 23 sits to the south now.

Time (EST)	1000	1200	1400	1600
Wind Direction (mag)	190-210	200-220	200-220	220-240
Wind Speed (knots)	7-11	7-13	8-13	10-16
Gust (knots)				

Weather **Sky** Mostly sunny, slight chance for a shower.
 Temps High 73
 Seas S-SW 3-5 ft
